## *When to visit?*

Pembrokeshire is a beautiful county at any time of year. In spring the area is bursting with new life with lambs gamboling in the fields, bluebells in the woods, wild flowers and gorse along the coast and busy puffins on Skomer Island.

Summer offers family days on fantastic, award-winning beaches, walks along the coast path, lazy afternoons browsing galleries and quaint independent shops, and busy days at the numerous attractions and outdoor activities, including fishing, pony trekking, surfing and coastering, Folly Farm, Manor House Wildlife Park and Oakwood.

Christmas brings bracing, refreshing walks on the beach, local produce, craft fayres and services in St David's Cathedral, while Caban Tawel, with its decorated tree, will be snug and warm to welcome you home at the end of the day.

## *Location*

Our farm is perfectly located, nestled in the heart of rural Pembrokeshire, halfway between Haverfordwest and Fishguard, providing an ideal central base for experiencing all that our beautiful county has to offer.

Close to the Pembrokeshire Coast National Park, we are just a 15-minute drive from both the coast and the foot of the Preseli Hills. The county's pretty towns and villages, including Cardigan, St David's, Narberth and Tenby, are all within an easy, scenic drive.

The nearby villages provide shops, petrol station, chip shop with restaurant, traditional pubs and the Wolfscastle Country Hotel.

Newton East is a family run farm, with a rich variety of wildlife. Our guests are welcome to explore our home, following the stream meandering through the woodland, exploring the hay meadows, sitting and listening to the sounds of the Western Cleddau river or walking to the top of the hill to enjoy views of the Preseli Hills.

You can spend summer evenings watching badgers, try to catch a glimpse of an elusive otter and admire the Red Kites soaring overhead. Our tranquil setting will take you away from the hustle and bustle of everyday life.

## *Croeso i'r Caban Tawel* *Welcome to Caban Tawel*

“Croeso” means “welcome” in Welsh and “Caban Tawel” means “quiet cabin” which describes our lodge perfectly. Nestled in its own peaceful grounds, surrounded by woodland and fields, the log cabin’s veranda looks towards views of the Preseli Hills.
